MISSION

UW- Extension's mission is to connect people with the University of Wisconsin. We teach, learn, lead and serve, transforming lives and communities.

UW-Extension's Financial Education programs help families and individuals across the state achieve financial well-being – keeping pace with day-to-day expenses, reaching financial goals, planning for life's unexpected events, and securing their financial future.

By providing information, tools, and other resources, Financial Education programming equips families with the necessary skills and knowledge to improve their overall financial capability.

Dane County Educators, supported by University research and statewide specialists, offer localized programming to Dane County residents.
